*2) The Petitioner most respectfully states to this Honorable Court that the document Attorney Sonia S. Sierra Sepúlveda sent me by mail specifies that an attached document arrived related to the Proof of Claim filed by this Petitioner with the Bankruptcy Court in the PROMESA case, and said document also specifies that the Commonwealth is seeking to disallow the claim I sent, by arguing the Petitioner failed to provide *prima facie* evidence to support a secured claim. According to what Attorney Sonia S. Sierra stated, she has not intervened in the case. It is therefore requested that this Honorable Court provide a legal representation that will be able to pursue the appropriate legal procedures, due to the fact that the Petitioner cannot afford the cost of Private Legal Representation, on account of the economic conditions he is facing. He has no assets or wealth to defray the expenses occasioned by an adequate legal representation. He therefore petitions that this Honorable Court, based on Indigency, request a legal representation*

and thus be able to proceed with the applicable Statutes [sic].

3) The Petitioner most respectfully appears before this Honorable Court and states that the documents that have been sent by the Honorable Court have been received by the Petitioner with a delay in time, because they have been sent directly to the legal representative, Attorney Sonia S. Sierra Sepúlveda, and all the documents this Honorable Court was sending to the Petitioner arrived at her offices. And after that Attorney Sonia would send those documents to me. And when the Department of Correction would give them to me, I did not have sufficient time to comply with the Statutes of Limitation. For that reason, I am making it known to this Honorable Court and so that you may be aware of any delay, and that you respectfully reconsider me, and allow me to pursue the procedures in this case.

*4) The Petitioner most respectfully states to this Honorable Court that Attorney Sonia S. Sierra makes a statement in the letter I received on July 6, 2021, where there is an argument that the Petitioner failed to provide *prima facie* evidence to support a secured claim.*

Respectfully, the Petitioner met those evidentiary requirements:

The Petitioner most respectfully makes known to you that he does not have the knowledge to be able to certify the Motion in the English language, and he asks this Honorable Court to assign a person to him to represent the Petitioner and be able to translate the documents submitted by the Petitioner, given that the Petitioner lacks the assets and wealth to be able to defray the costs of the professional fees generated by this Motion, due to Indigency.

of which I informed you, and we hope that more problems do not occur. It is also requested that this Honorable Court become aware that the Commonwealth is making a claim under the law (PROMESA) on bankruptcy. When the Department of Correction is asked that they have to do construction work and they use inmates for that work, and the money is allocated in advance, on which, if a private company finishes the work, they give them the corresponding payments. Why, if an inmate is the one that does the work, don't they pay him? And they say that there is no money available, when that money has already been allocated, and they use, as an excuse, that the Fiscal Control Board does not want to send the money and the Treasury limits itself in paying. For all these reasons we hope that an investigation will be made on the work that was done and who granted these permits and respectfully has to make the corresponding payments, or what did they do with the allocated money?

For all of the foregoing reasons, we ask this Honorable Court, with what is stated above, to decide this matter, and, as a consequence, issue an order "finding merit," and granting the corresponding payments.

I certify that what is set forth in this motion is true, accurate, and correct, and [ask] that a copy of the decision taken by this Honorable Court be sent to the pertinent parties.

(7)

Prayer for Relief

The Petitioner most respectfully prays to this Honorable Court that it grant a hearing for the Parties to appear, if necessary, and to be able to grant the Petitioner a Legal Representation on the Grounds of Indigency, and to grant what is legally appropriate under the laws of the Commonwealth of Puerto Rico.

Most respectfully submitted.
